The President's **Idle Chatter**

Hi All,

I hope everyone has been out and about enjoying the great weather at this time of the year. There have been plenty of Club events to select from and enjoy the social activities.

If you haven't renewed your membership it is due now (by March 31) so if you haven't done so don't delay. Also we have the AGM coming up next meeting with nominations for executive and committee positions closed at the end of last meeting. We won't be needing any voting for the committee due to less nominations than positions so that will save some time at the AGM.

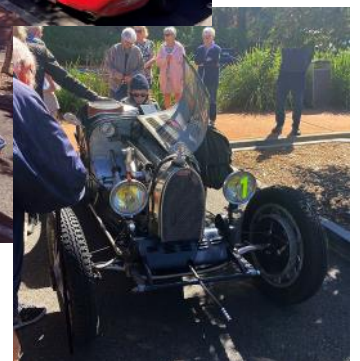

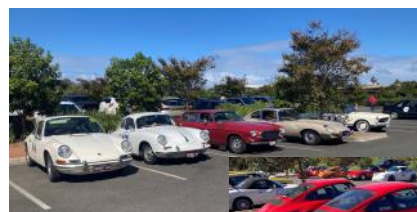

This year the Committee has decided that the Club will provide supper at the AGM so you don't have to provide a plate as in previous years.

We will be again having a Swap Committee Meeting prior to the April General Meeting. This is our last one before the swap and it will start at 6pm. We have now sold out all the indoor sites and we are getting a lot of interest on the Club Facebook site. The one thing we need more of is volunteers especially for a few hours on the Saturday. This is a great opportunity to help the club and be part of the team, and you can still get to look around the swap sites and do some shopping. All volunteers also get free entry and a ticket for some Devonshire tea. Those that help out say that it is well worthwhile being part of. Contact Murray Foran (5248 2553) to get your name down if you haven't already done so.

I went along to a rest break of the Targa Classica at the Anglesea Chocolaterie recently. There were many exotic machines participating in the 4-day event. Of the 105 entries about 60 were various Porsche models, as well as plenty of Ferraris and a McLaren. Most notable for me was a 1927 Type 35 Bugatti which I helped push start to get it going on the next leg to Torquay.

Stay safe and I hope to see you out and about.

David Mitchell

Thank you David, for steering us through Covid and our recovery beyond. - Ed

TINKER DAY (Dallas)

Tinker Days planned for March (Portarlington) and April (Bannockburn). See Backfire for details.

Dallas is once again avoiding the beautiful Victorian winter and holidaying in mouldful Queensland for three months. Please call him if you could assist with the Tinker Days while he is away.

MARS BAR AWARD (Ray away)

No award this month.

GENERAL MEETING MINUTES ctd

VEHICLE PERMITS (Gus)

Gus had concerning statistics on motorbike casualties over the 2023 year with 46,000 visits to Hospital Emergency Departments across Australia.

New member Doug Thomson brought in his new Genesis and spoke about the South Korean company and the car's many features. A lot of car for the money!

RALLY REPORTS/EVENTS (Ken)

See the *Backfire* for details on future events.

The next coffee run will be at the Eastern Gardens Rotunda.

Events attended by members include:

- Sixteen cars were displayed at the Waterfront.
- The Batesford Coffee Run was a great success
- The Club Membership BBQ was once again very well attended. Thanks to all involved in the BBQ and taking the membership renewals (of course).
- The Portarlington container house was very impressive and a credit to the owner-builder.

LONG DISTANCE RALLY (TBC)

ELECTION OF OFFICE BEARERS

President David vacated the Chair and introduced life member Trevor Schneider who took the Chair and thanked all the office bearers for their work over a challenging year.

Trevor noted that David Perkins had chosen not to re-nominate for a Committee position. He thanked David for his support and contribution to the club. David will continue to represent the Club at Federation meetings.

All executive positions were declared vacant. Committee nominations did not exceed the positions available and so no vote was necessary.

The successful nominations were:

President: David Mitchell

Vice President: John Bailey

Secretary / Public Officer, Consumer Affairs
Notification for Incorporated Association:
Fred Harris

Treasurer: Maurice Healy

General Committee:

Graeme Anderson, Simon Anderson, Jon Breedveld, Tony Brincat, Col Jordan, Ken Parry, Gus Shea and Barb van Galen.

(As the Immediate Past President, Dallas Jones remains a committee member. - Ed.)

PRESENTATION OF TROPHIES

David resumed the Chair and thanked Trevor for his assistance.

Barb van Galen was named as the Club Member of the year for her continuing support of the Club.

David presented 25 year membership badges to Jan Clissold and Brian Edward.

Meeting closed at 9:24pm.

PAID YOUR MEMBERSHIP?

Membership renewal fees were due by 31 March. If you have cars carrying Red Plates that are registered through our club and we do not receive your completed membership renewal form and money by 31 March, VicRoads considers those cars to be unregistered and you cannot legally drive them on public roads.

If you no longer wish to be a club member, please email or post your resignation to the Secretary, Fred Harris.

25 Year Badges to be Presented

The following people have reached 25 years of WDHVC membership.

- ◇ Merv & Marie Batson
- ◇ Ray & Lyn Davis
- ◇ Daniel & Maryle Monk
- ◇ Linda Parker
- ◇ Ray & Barb van Galen

We look forward to seeing these people at the **April** meeting, to be presented with their 25 year badges

March Feature Vehicle

The Genesis GV70

New member Doug Thomas had his white 2021 Genesis GV70 in the garage this month. This beautiful vehicle runs a 2.5 litre, 4-cylinder turbo engine that achieves 0-100 kph in six seconds. It is mated to an 8-speed auto gearbox that delivers power to the rear wheels.

Doug explained that the brand was the high-end arm of Hyundai (much like Toyota and Lexus). He has owned the \$70k car for 12 months and bought it after seeing a display in a shopping centre and waiting 10 months for delivery. He said the car was heavily computerised, with many driving functions controlled or assisted by the CPU. This includes a sophisticated 'self-drive' program that follows the road, distance, lane departure and cruise controls. It weighed 1.9 tonnes and was heavily soundproofed.

The car was designed by an ex-Bentley designer and Doug said that front was Bentley, the back end took after Porsche styling and the interior was Lamborghini.

The *Cars Guide* website says the Genesis is the brand's mid-sized SUV. The luxury five seater is a more affordable but still well-appointed alternative to the likes of BMW's X3 and Mercedes-Benz's GLC. A direct rival would be the Lexus NX. The line-up currently starts at \$70,500 for the GV70 2.5T and ranges through to \$126,475 for the range-topping GV70 Electrified Performance LUX.

It describes the GV70's interior as "downright plush". The dashboard features a 14.5-inch multimedia touchscreen that is also operated by a rotary dial that has crystal-looking embellishments. The 12.3-inch 3D digital instrument panel appears like a hologram without the image instability. It has built-in satellite navigation. There is customisable ambient lighting.

The car is rated to tow 2200 kg with trailer brakes and fuel consumption is rated at just under 10 litres/100 kms (petrol). - Ed.

March Guest Speaker Cottage by the Sea - Tony Featherston

Our March guest speaker, Tony Featherston, told us about the work of Cottage by the Sea in Queenscliff.

Tony currently works part time for Cottage by the Sea, assisting with gifts in wills (bequests), group presentations and Cottage tours. He was the CEO from 2001 through to June 2019 and has been with the organisation for 24 years.

Cottage by the Sea is a not-for-profit, independent children's charity and receives no government funding. Established in 1890, its mission is to enhance the lives of more children by providing inspiration, fun and opportunity within a seaside environment.

Its diverse programs involve short-stay-camps that focus on adventures in nature. Participants are provided with opportunities to build positive relationships with peers and adult role models, which helps them learn and grow when they return to their schools and communities. It also offers respite holidays for families in a secondary facility, Riptide Cottage.

Throughout its long history, the Cottage has provided short term care in a holiday environment for children in need. Over time, those attending have included convalescing children, children affected by war, fire, flood, or those disadvantaged in key life areas.

In 2022-2023 the Cottage catered for 1,600 people, including 947 Take a Break participants, 192 Reef program participants and 122 in the Mentor program.

Take a Break provides one-off, one week holidays for 6-12 year old children in need. The Reef program is for those aged 11-14 and aims to assist in transitioning from primary to secondary school. The Mentor program caters for Reef program graduates, aged 13-18. It focusses on personal development and participants attend five or six programs per year over five years. It helps develop the skills that enable young people to contribute to their communities, schools, homes and the Cottage itself.

Over the years the Cottage has attracted notable people as ambassadors, including Jimmy Bartel, Curtis Stone, Rod Laver, Joel Selwood and Patrick Dangerfield. Cathy Freeman and Frank Costa have been Patrons of the charity and this role is now held by Rebecca Maddern.

Tony said there was a growing need for what Cottage by the Sea does and independent impact studies have shown that Cottage programs leave a lasting impact on children, from increasing their confidence and self-belief to enhancing their sense of belonging.

He said that the Cottage was a values-driven organisation that aims to help more young people live happy, healthy lives. Everything they do reflects their values: respect, adventure, integrity, belonging and community.

Our Club is exploring the opportunity for a visit to the Cottage in future.

For more information about Cottage by the Sea, visit [Australian charity for children \(cottagebythesea.com.au\)](http://Australiancharityforchildren.org.au/cottagebythesea.com.au)

Memorabilia Presented to Club

Evelyn Hill donated some early WDHVC merchandise to the Club at the March meeting.

Items donated included spoons, cuff links and a keyring. This followed some exploration in March and April last year, which caused Evelyn to rediscover the items among his collection. (See stories and photos in the March & April 2023 *Backfires*.)

President David thanked Evelyn for his donation. The committee will determine the best way to display the items in the clubrooms.

RALLIES & RUNS

Bargains Galore at the March Tinker Day

Tinker Day attendees faced another perfect day for members to get together. Leaving from the clubrooms we headed to Curlewis to meet up with those from the Bellarine. We headed off to Lorraine's house in Portarlington in something that resembled an organised convoy. Sadly that didn't seem to last long. Despite being told where we were going and how to get there, somehow a few (quite a few) managed to break from the herd and get a bit lost. All's well that ends well, they arrived ... eventually. The final head count was 30.

Lorraine's garage had been set up by John Bailey, Fred Harris, Maurice Healey and Jon Breedveld two days prior, with prices marked on most things. This was great because it removed the need for haggling and, as the prices were more than reasonable, there was no need to anyway. (Members did find a few items squirrelled away in back cupboards that needed some instant pricing, which meant our "bagman" Jon had to be quick on this feet!)

Of course our money man Maurice was there gathering the funds like a fervid tax collector! The end result was over \$800 raised for Lorraine and a sizeable dent in the garage contents.

There were obviously some things that people wanted, as a steady stream of items seemed to be heading out the door and destined for a new home.

Thank you to Lorraine for opening her place and allowing the members to look through Barry's stuff. Also huge thanks to the guys that set it up prior to the day, then helped out during and the packing up when it was over.

Napier New Zealand – Art Deco Festival Feb 2024

On our recent trip to New Zealand we found ourselves transported back to the 1920/30s. In 1931, Napier and the Hawke's Bay region was devastated by an earthquake. The town of Napier was rebuilt in the art deco style of architecture.

It was a surprising delight as we happened to be in Napier for their annual Art Deco Festival. This was the first time the festival had been held in full since 2020, after the 2021 and 2022 events were hit by Covid and the 2023 festival had to be cancelled due to the devastating impacts of Cyclone Gabrielle.

Hundreds of vintage cars were on display over two days, coming from all over New Zealand.

The whole town dressed in the style of the era. There were Gatsby style picnics, singing, full dress 30's dancing, jazz, cars with 30's picnic tables, record players etc and even a soapbox derby for the kids, yes we felt as though we had been transported back in time, but time hadn't changed. Absolutely fabulous!

There were multi vintage tiger moth and mustang plane flyovers all day. The classic cars were absolutely stunning and nearly all in concours condition. The townsfolk were generous, warm and humble.

Where had they been hiding these classics? Bugattis, Rolls, Chevrolets, Mercedes, Fords, it went on and on; a collectors and dreamers real life nostalgic dream of the era. Yes, we will definitely go back. It was wonderful!

“Overseas” RALLIES & RUNS

The Tassie Tour 2024

Manuel and I sailed across Bass Strait on 1 March. The Indian Scout climbed onto the back of the ute and came with us. We were going to do the Tassie Tour 2024. This is a motorcycle event organised by the British Bike Club of Hobart.

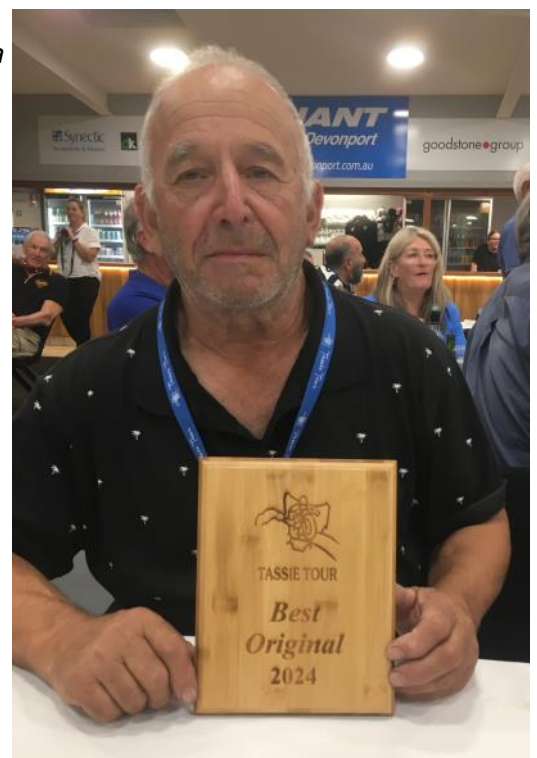

We joined the tour at Ulverstone and did a 1500km loop of Tasmania. We travelled from Ulverstone to Burnie, down to Strachan, across to Hobart, down to Port Arthur, back to Bicheno, up to Launceston and finally to Devonport. There were 117 varied motorcycles entered: Brough Superiors, Nortons, 28 BSAs, a couple of Harleys and three Indians.

Highlights included walking the Tahuna tree walk and dinner at the Royal Hobart Yacht Cup.

The Best Original Condition Award was judged by a committee of six - I think they meant the bike!

April

Here we have a lovely young lady of 18 months old, enjoying a run around with the family. This is your opportunity to snaffle a whopping big Mars Bar by telling us who it is, and another Mars Bar for telling us where she was at the time.

Was it Geelong, Newcomb, West Geelong, Holland, Egypt, England, Casablanca? it could be anywhere.
